## GRAPEVIEW CROWNED REGIONAL CHAMPIONS

Ball Hockey Ontario hosted the Niagara Regional Super Skills Championships on Friday, May 14, 2010 at the Niagara Ball Hockey Club for local elementary schools. Grapeview Elementary School from St. Catharines was crowned champions with Monsignor Clancy Elementary School a close second. Ball Hockey Ontario congratulates all the schools on their winning attitude.

Since January, local elementary schools hosted the Super Skills Challenge program throughout the Niagara Region, where students learned the basics of hockey with The Mountainview Homes Hardest Shot, TPS/Sherwood Agility (stick handling) contest, and the KOBE Sportswear Accuracy competition. Friday was a chance for all top participants (from grade 5 to 8) to improve on their previous efforts and work as a team to achieve results greater than the individual efforts.

Grapeview Elementary School recorded the best overall score and beat out 10 other regional schools to claim the overall title of Niagara Regional Super Skills Champions.
